EWF RANK LIST FOR 2021

EWF has released the rankings of the European weightlifters for 2021.

The EWF is pleased to present to the weightlifting community the ranking of the top European weightlifters in 2021.

"EWF is constantly working to provide up-to-date information about our athletes, coaches, ITOs and MFs. In the future, we will strengthen our information system and deliver more helpful information to all stakeholders as possible ", according to EWF President Antonio Conflitti.

"We are pleased to provide the EWF ranking list for the previous year. I am convinced that we will be able to soon release the guidelines for "2022 The Best European Weightlifter", a prestigious award given to Europe's best athletes ", according to EWF General Secretary Milan Mihajlovic.
